

# DANCING YOUR FAMILY STORY: Orders of Love Constellations Work and Ecstatic Dance

May 2-4, 2008

Throughout this weekend we combine two modalities for self awareness, offering a combination for shining a light on the role of family in shaping who we are. Constellations provides a creative, innovative and profound way of seeing the, usually hidden, recurring patterns and dynamics that shape us, our families and our relationships. Ecstatic dance takes our awareness deeper into our bodies and our beings, presenting opportunities for awareness, insight and transformation.

**Brace yourself. This weekend will be powerful!**

Our weekend exploration is led by **Roger Sams, MA** and **Darcy Cunningham, RYT**.

**Roger Sams** travels the continent leading seminars for music and movement educators and spiritual retreats for those interested in touching God through the arts. He has taught at many universities and presented at conferences throughout the US. He trained in Gestalt theory at the Gestalt Institute of Cleveland and is a certified TranceDance Ritual Facilitator.

**Darcy Cunningham** has been working with individuals and groups for 20 years in support of becoming fully who we are and living more joyfully. She owns a yoga studio -- teaching Hatha, meditation, Constellations and more for personal and spiritual development. Darcy learned to practice Constellations from Judith Hemming (UK), Bert Hellinger (creator), et al. She too is Gestalt trained.
